

There are still a few laps left this season Members...
Don't put those cars away yet!

A couple things you'll need to know about the next two weeks.

- Due to the cold weather heading our way, LRDC will be using the Infield Chalet as home base for all November track days. The Infield Chalet is located next to our usual chalet on the hill (*it's the Chalet with the flagpoles*)
- If you have not RSVP'd for November 17 & 18 please get your reservation in. Your advanced attendance is needed for both catering and staffing, and these will both be busy days. Please include the number of guest (and Honey's) who may be joining you.
- Dates have been set for LRDC's first Winter Autocross and the Annual Members Meeting. *Scroll down for event details.*
- If you have not contacted Michele Marden about February's Winter Rally School with Team O'Neil, please do so as soon as possible. We have a good group signed up and a few spots left. We urge you not to miss out on this amazing program.
